

Seat Transport Dolly

This Dolly is to carry all kinds of economy seats. With its easy handling it is possible for only one person to handle even the four seat benches. The plate has hinges and can be tipped over to load and unload the seat. With the handle bar the seats can be moved easily, especially through an aircraft. And if not needed the handle is collapsible.

Customer advantages

- easy handling by only one person
- patent number DE102006062303
- practical
- solid
